

Textbook Assistance:

Effective the 2018-2019 school year, all School City of Hammond (SCH) students must pay textbook rental fees, unless you have been notified, in writing, that your child has been approved for textbook assistance for the current school year.

Applications for Textbook Assistance must be submitted **each** school year. You can complete a paper application at your child's school or at the SCH Administration Building. You may also complete an online application at: <https://www.myschoolapps.com>

It is important to complete the Textbook Assistance application because it has an impact on the school district's complexity rate, which has ramifications on school funding.
